Our core research topics

- Employment and restructuring
- Health care
- Pensions
- Social protection and social inclusion
- Institutional issues
- New forms of governance

To be developed...

- Education
- Sectoral social dialogue
- Green jobs

Europeanization

A fascinating “governance dimension” calling for:

I. The study of a variety of policy instruments and their interactions (EU law, social dialogue, ESF, open coordination)

II. The definition of larger frameworks (IM, SGP,...)

III. A reflection on how:

- ✓ the EU influences domestic policies
- ✓ Member States and stakeholders influence EU policy-making

→ Mutual interaction!

OSE website
